Raise your sales potential to new heights.

Using real-world examples to illustrate key sales training concepts, the Critical Selling Skills program fosters the development of research-based skills imperative for success in today's competitive marketplace.

Program Objectives of Critical Selling Skills

- **Determine the difference** between a typical sales professional and a Trusted Advisor
- **Successfully plan for sales** calls by setting objectives and using a pre-call planning tool
- **Confidently open sales calls**, create rapport, engage the customer, and set a positive tone for the sales interaction
- **Utilize a focused questioning methodology** to thoroughly uncover customer needs and dig deeper in the sales discussion
- **Increase customer buy-in** by using a methodology to present solutions, insights, ideas, and benefits tailored to customer needs
- **Recognize when to close** and follow a closing approach that leverages the momentum of the sales interaction and seamlessly moves the process forward
- **Handle objections** using a four-step methodology to uncover and address the customer's true concern while maintaining trust and credibility as a Trusted Advisor
